For Sale : **€ 30,000**

Description
Moutoullas sets the scene for this piece of land. The heritage site of Panagia tou Moutoulla and the village's restaurants and cafés are within walking distance, and Troodos National Forest Park is a short drive away, so village life and open nature both sit close at hand.

The land is made up of two fields just outside the village, in a residential zone where there is room for a home of up to two floors. Around them, homes stand among parcels that are still undeveloped, giving the setting a settled, village-edge character. Picture an afternoon stroll to a café, or a short drive out to the forest park.

The fields have no direct road access. The sale is a 1/3 share of both fields.

For anyone drawn to Moutoullas, this is residential land with the village's heritage and its cafés an easy walk away, and the green of Troodos close by.
