Description
A sizeable field of 21,071 m² sits in the countryside of Kelokedara. The village centre is a short drive away, as are neighbouring Agia Marina Kelokedaron and Stavrokonnou. Farmland and undeveloped plots surround it.

The ground slopes, and the plot has an irregular shape. Part of the land lies in an agricultural zone, suited to farming or planting. Part falls within a protection zone. The land has no direct road access. According to the source, water, electricity and telecommunications could potentially be connected. This is a large, sloping field set among the farmland of Kelokedara.
