For Sale : **€ 30,000**

Description
Just outside Kelokedara village, on the authentic side of the Paphos countryside, this field sits among open, undeveloped land, with the village centre a short drive away.

Set in a residential zone, the land offers room for a home of up to two floors, and it has direct road access along one of its borders. Picture a house taking shape here, with the village life of Kelokedara and the neighbouring villages of Agia Marina Kelokedaron and Trachypedoula all close at hand.

Further afield, the Sanctuary of the Paphian Aphrodite is within a drive, and Paphos International Airport lies about 15 km away. The sale is a 2676/12041 share of the field.

Residential land, open countryside all around and a village close by make this a setting for something of your own in Kelokedara.
