Description
Set among farmland and open parcels in the Thrinia countryside of Paphos, this agricultural field covers 6,689 m². The surrounding land is agricultural or undeveloped, and the villages of Polemi and Psathi are both a short drive away. The land is zoned for agricultural use, so its plain purpose is farming, whether for planting or cultivation. One side of the field fronts a registered footpath. This is a sizeable plot of agricultural ground in a rural part of the Paphos district.
