Description
Forest land and undeveloped parcels set the scene around this field on the edge of Pigenia, a green and open landscape where the rhythm of village life stays close at hand. The village centre is a short drive away, and Kato Pyrgos is a short drive too.

The 920 m² plot lies within a residential zone, which gives room for a home of up to two floors. Picture it rising here, with the forest as its nearest neighbour and the open land stretching around it. The Gialia Monastery is a drive away, a fine destination for a weekend outing.

The land has no direct road access.

A residential plot in the countryside around Pigenia, with greenery all around and the village a short drive away.
