Description
Just outside Praitori village, in the Paphos countryside, a field of 1,673 m² lies among farmland and open, undeveloped parcels. Life here moves at a gentler pace than town, and the village centre is only a short drive away for everyday errands and a coffee among neighbours.

The land sits in a residential zone, which gives it room for a home of up to two floors. Picture a family house rising here, with open country stretching around it and the rhythm of village life close by. The land has no direct road access.

Beyond the village, Arminou Reservoir lies a short drive away, a natural spot for unhurried weekends by the water.

A residential plot in Praitori's rural surroundings, where a home of your own can take shape in the calm of the countryside.
