Description

Headline: Expansive Family Legacy: 881sq.m Under-Division Plot in Geri

Secure an exceptional foundation for your family's future with this impressive 881sq.m residential plot, currently under division in a prime, peaceful enclave of Geri. This property is a distinguished choice for those prioritizing Family Living and a stable Long-term Investment. The significant scale of this parcel provides the ultimate luxury of space, allowing for the construction of a grand, custom-built home that offers total privacy and comfort in a high-demand neighborhood.

Falling within the Residential Planning Zone Kα8, the plot features a 60% building density and 35% coverage. These favorable parameters permit a generous total buildable area of approximately 528sq.m across two floors. This ensures you can design a substantial family villa without compromising on large outdoor gardens, a private swimming pool, or detached auxiliary spaces. As plots of land for sale in Geri continue to attract discerning interest in 2026, this strategic acquisition represents a premium entry into the Cyprus real estate investment market.

The location perfectly balances suburban serenity with modern accessibility. Situated as a land for sale near Athalassa National Forest Park, you are just minutes away from Nicosia's primary green lung, as well as the University of Cyprus and The Mall of Cyprus. This under-division project guarantees that your property will benefit from brand-new infrastructure and direct access to a registered road. G&P Lazarou trusted properties brings a 34-year legacy of excellence to this project, ensuring your investment is handled with authoritative professional care.
