Description
Set among forestland and undeveloped parcels outside the village of Fterikoudi, this agricultural field covers 9,365 m² of open countryside in the Nicosia district. Its agricultural zoning makes it land for farming or planting. The field fronts a registered road along one side, but that road does not exist on site. An unregistered track crosses the land. Fterikoudi's village centre is a short drive away, as are the neighbouring villages of Platanistasa and Askas. This is a sizeable piece of agricultural ground surrounded by forest and open land.
