For Sale : **€ 27,000**

Description
Just a short walk from the heart of Pigenia village, with the sea not far away, this residential field offers room for a home in authentic village surroundings. Open, undeveloped parcels of land lie all around it, giving the setting a natural, uncrowded feel.

The land fronts a dirt road, so it has direct road access. Its residential zoning allows a home of up to two floors, a chance to shape a place of your own within easy reach of village life.

Shops, cafés and restaurants are a short drive away for everyday needs. When the weekend comes, the countryside around Pomos Reservoir is within a drive for time spent outdoors.

The sale is for a 41/60 share of the field. Here, the village centre is close at hand and the sea within reach, a setting that shows the authentic side of Cyprus.
