Description
Close to the Solea dam and outside the village of Flasou, this agricultural field lies among farmland and undeveloped parcels in the Nicosia countryside. A footpath runs along one of its borders.

The land is zoned for agricultural use, which suits farming or planting. The village centre is a short drive away, and so are the neighbouring villages of Linou and Katydata.

The sale is a 1/2 share of the field. It is a plain piece of farmland surrounded by other agricultural plots.
