Description
Just outside the village of Pano Pyrgos, in the Nicosia district, open land sits among a scattering of homes. Undeveloped parcels mix with several residential developments in this area, giving it a settled feel with plenty of open ground around it.

Covering 4,348 m², this field is zoned for residential use. It offers room for a home of up to two floors, with generous land around it to plan as you wish.

Daily life centres on the village, a short drive away, with its shops and cafés. The beaches are a drive away, so summer evenings and weekends can bring the sea within your routine. For travel further afield, Paphos International Airport is about 50 km away. The land has no direct road access.

A sizeable residential field in a village setting, with the shore within a drive and space to picture a home of your own.
