Description
Outside Kato Moni, among neighbouring farmland and undeveloped plots, three adjoining fields together form one agricultural holding of 11,707 m². The Kato Moni village centre and the nearby villages of Orounta and Agioi Iliofotoi are each a short drive away.

The land is zoned for agricultural use, and the three parcels lie side by side, so they can be farmed or planted as one area. The land has no direct road access.

This is a sizeable stretch of farmland, offered as three neighbouring fields together.
