Description
Two adjoining fields outside the village of Trimiklini come together here as one agricultural holding of 2,749 m². The land lies among other farmland and undeveloped parcels, with the villages of Saittas, Moniatis and Agios Mamas close by.

Its agricultural zoning suits farming or planting, and the two parcels sit side by side as a single piece of ground. The land has no direct road access.

A compact piece of farmland in the countryside of the Limassol district.
