Description
Outside the village of Agios Theodoros in the Larnaca district, this agricultural field covers 6,021 m² of countryside. The land around it is made up of undeveloped parcels, giving it a rural setting away from built-up areas. Its agricultural zoning suits farming or planting. The field has no direct road access.

The area lies a short drive from the village centre and from the neighbouring villages of Skarinou and Choirokoitia. This is a sizeable piece of farmland in a rural part of Larnaca.
