For Sale : **€ 23,000**

Description
Palaiometocho offers village life within easy reach of its own centre, and this residential field sits right in the middle of it. Homes and open parcels of land share the surroundings, giving the neighbourhood a relaxed and unhurried feel.

The land lies in a residential zone, with room for a home of up to two floors. It has a long frontage onto a road, so it has direct road access. That makes the plot simple to reach and simple to plan around.

Picture a home here, with the village centre a short drive away for morning coffee and errands, and the open landscape around Lefkovounos close enough for a weekend walk. It is a setting where the everyday stays local.

The sale is for a 1/2 share of the field. A residential plot with direct road access, set among the homes of Palaiometocho.
