Description
Outside the village of Kalopanagiotis, two fields together make up 6,745 m² of agricultural land. The surrounding area consists of other undeveloped parcels, which gives the land a rural setting away from dense development.

The land is zoned for agriculture and can be used for farming or planting. It has no direct road access. The village centre of Kalopanagiotis is a short drive away, as are the nearby villages of Oikos and Gerakies.

This is a sizeable agricultural holding of two parcels in the Kalopanagiotis countryside.
