**Description**
Two adjoining fields form this agricultural holding of 6,688 m², set a short way from the centre of Tsakistra village in the Nicosia district countryside, with Kampos village not far away. Farmland and undeveloped parcels surround it, giving a rural setting away from dense development.

The land is zoned for agricultural use and suits farming or planting. It has no direct road access. Together, the two fields make up a single, sizeable piece of farmland in open countryside.
