For Sale : **€ 22,000**

**Description**
Evrychou's village centre is a short walk away, with restaurants and cafés within easy reach on foot. This residential field sits among homes and undeveloped parcels, part of the everyday rhythm of authentic Cypriot village life in the Solea area.

The land lies in a residential zone, where a home of up to two floors may be built. It has direct road access along its frontage, and a house already stands at one end of the field.

Picture slow mornings over coffee in the village, an easy stroll back, and the Solea Reservoir a short drive away when the afternoon calls for time outdoors. It is an uncomplicated setting, close to the heart of village life.

The sale is for a 1/4 share of the field. A residential plot within walking distance of the centre of Evrychou keeps the pleasures of village living close at hand.
