For Sale : **€ 21,000**

Description
Set among industrial developments and open parcels on the edge of Paralimni, this field sits in a corner of the area where work and enterprise already set the pace. It is a setting with a practical, working character, where business neighbours are already part of the landscape.

Part of the land lies within an industrial zone, the natural home for business use, while another part falls within a protection zone. The land has no direct road access.

Life beyond the workday stays close at hand. The shops, cafés and everyday services of Paralimni are a short drive away, and Agia Napa is within easy reach as well, so a day spent on site can end with an evening by the coast or in town.

The sale is for a 1/3 share of the field. A place to put down roots in Paralimni's working landscape, with business use at its heart.
