Description
In the countryside of Old Choletria, a short drive from Choletria village and neighbouring Nata, this agricultural field covers 5,686 m². Other agricultural and undeveloped parcels surround it, so the setting is fully rural.

The land is zoned for agriculture and can be used for farming or planting, or simply held as a piece of Paphos farmland. There is no road access on site. This is a large field of agricultural land within the Choletria countryside.
