Description
In the open countryside outside Nikitari, this agricultural field covers 6,355 m², not far from the village of Kato Koutrafas. The land around it is made up of farmland and undeveloped parcels, so the setting is fully rural, away from built-up areas.

Its agricultural zoning suits farming and planting. The land has no direct road access. It is a sizeable parcel of Nikitari farmland, suited to cultivation or to adding to a wider rural holding.
