Description
Just outside Pigenia village, this agricultural field covers 3,692 m² of open ground among other farmland and undeveloped parcels. The village centre is a short drive away, and so is Pano Pyrgos. Its agricultural zoning suits farming or planting.

The land has frontage onto a registered narrow road, though that road has not been built along the field. Set in a rural landscape away from dense development, this is a sizeable, open plot of farmland close to Pigenia.
