For Sale : **€ 17,500**

Description
Close to the centre of Mammari village, this field lies within a residential zone, in a neighbourhood where homes stand alongside parcels of open land that are still waiting for their story to begin.

The residential zoning gives the land a clear purpose: room for a home, with building allowed up to two floors. It is easy to imagine a family house rising here, part of a village community that is slowly growing around it, with the village centre close at hand for daily life.

The land has no direct road access. The sale is for a 1/3 share of the field.

For anyone drawn to village life within the Nicosia district, this is a piece of residential land in a neighbourhood with room to grow, close to the heart of Mammari.
