Description
In the countryside of Pigenia, in the Nicosia district, this agricultural field covers 4,348 m². It sits among undeveloped parcels of land, in a rural landscape away from dense building. Its agricultural zoning suits farming or planting, or it can simply be held as rural land.

The land has no direct road access. Pigenia's village centre and the neighbouring villages of Mansoura and Agios Theodoros Tillirias make up the wider area. This is a sizeable, uncomplicated piece of agricultural land in the Pigenia countryside.
