For Sale : **€ 18,000**

Description
Forest and open countryside frame this residential field just outside Kaminaria, in a setting where nature still sets the pace. The wider area is made up of undeveloped parcels of land and woodland, giving the place a green, rural character that feels far removed from busy town life.

The field covers 1,385 m² within a residential zone, with room for a home of up to two floors. The land has no direct road access.

Village life stays close at hand. The centre of Kaminaria and the neighbouring village of Treis Elies are both a short drive away, and Troodos National Forest Park is within a short drive too, bringing the forest even closer to everyday life.

A residential plot among the trees, with the village nearby: simple to sum up, and easy to picture as the setting for a home.
