Description
Set in the farming countryside around Lemona village, in the Paphos district, this agricultural field covers 9,365 m². The village centre is a short drive away. The land around it is made up of farmland and undeveloped parcels, which gives it a rural setting away from built-up areas.

The land is zoned for agricultural use and suits farming or planting. It has no direct road access. The villages of Choulou and Faleia are also a short drive away. This is a large parcel of farmland within Lemona's agricultural landscape.
