Description
Set in the countryside just outside Arsos village, this field covers 8,569 m², with the village centre and the neighbouring villages of Malia and Vasa Koilaniou a short drive away. The land has direct road access through a short frontage on a registered road.

The parcels around it are agricultural and undeveloped land, which keeps the surroundings rural and away from dense development. The field lies within a protection zone. It is a sizeable piece of land with its own frontage in the farmland around Arsos.
