Description
In the farming countryside around Kampos, in the Nicosia district, this agricultural field lies among other farmland and undeveloped parcels. The village centre is a short drive away, and the neighbouring village of Tsakistra is a short drive as well. Its agricultural zoning suits farming, planting or holding land in a rural area. The land has no direct road access. The sale is for a 3/10 share of the field. It is a plain piece of agricultural land, set among the fields that surround Kampos.
