Description
Outside the village of Potami, in the Nicosia countryside, lies a sizeable agricultural field of 11,223 m². The land around it is made up of undeveloped parcels, so the setting stays rural and away from built-up areas. The villages of Vyzakia and Agia Marina Xyliatou are nearby.

The field sits in an agricultural zone and suits farming or planting. It has no direct road access. A large, uncomplicated piece of farmland in the Potami countryside.
