Description
Set in the countryside around Letymvou, this agricultural field lies among open, undeveloped parcels with only the occasional home in the area. The land fronts a road, giving it direct road access. Its agricultural zoning makes it suited to farming or planting. The village centre is a short drive away, and the Limassol–Paphos Motorway can be reached by car. The sale is for a 1/2 share of the field. It is open agricultural ground in a rural part of the Paphos district.
