Description
Outside the village of Choulou, in the Paphos district, this agricultural field lies a short distance from the Ezousa river. It covers 6,021 m² and is set among other farmland and undeveloped parcels, in open countryside shaped by farming rather than building. The land is zoned for agricultural use and fronts a registered footpath along one side. The villages of Kourdaka and Lemona are a short drive away, and the Limassol - Paphos Motorway serves the wider area. This is a sizeable piece of farmland with room to plant and cultivate.
