Description
Out in the open countryside of Mesana, in the Paphos district, this agricultural field covers 8,863 m² among neighbouring farmland and undeveloped parcels. Its agricultural zoning suits farming, planting or simply holding a sizeable piece of rural land.

Along one side, the field fronts a registered footpath. The villages of Salamiou and Kedares are each a short drive away, as is the local village centre. It is a straightforward piece of agricultural ground in a landscape of farmland and undeveloped parcels.
