Description
Surrounded by farmland and undeveloped parcels in Kato Lefkara, this agricultural field covers 5,017 m² in the Larnaca district. Its agricultural zoning makes it suitable for farming and planting, or for holding a large piece of countryside within the village boundaries.

The village centre is a short drive away, and neighbouring Pano Lefkara is close by as well. The land has no direct road access. This is a sizeable field of farmland in a setting that remains agricultural all around it.
