Description
Out in the farming countryside beyond Lageia village, this agricultural field covers 7,600 m², surrounded by other farmland and undeveloped parcels. Its agricultural zoning suits cultivation and planting, or holding a sizeable piece of rural land in the Larnaca district. Lageia's village centre and the neighbouring villages of Vavla and Ora are a short drive from the area. The field has no direct road access. It is a large, plain parcel of agricultural land in a setting of open fields.
