For Sale : **€ 15,000**

**Description**
Set on the edge of Tsakistra village, a short distance from its centre, this agricultural field lies among undeveloped parcels, forest and a few scattered homes. The village of Kampos is a short drive away. The land has direct road access along two of its borders, and its gently sloping ground suits farming or planting under its agricultural zoning. The area can potentially be served by electricity, water and telecommunication. The sale is a 1/2 share of the field. It is a regular, well-shaped piece of farmland close to the village.
