For Sale : **€ 16,000**

Description
In Mosfili, a short walk from the local church, this field sits among homes and open parcels of land. It is a setting where village life carries on close by, and where the fishing shelter at Kato Pyrgos is only a short drive away.

The land is zoned for residential use, giving room for a home of up to two floors. It has direct road access along a good stretch of frontage, which makes the plot easy to picture as the start of a home. Everyday needs are close at hand, with cafés, restaurants and shops a short drive away in the surrounding area.

Further afield, the waters of Pomos Reservoir and the old Gialia Monastery are within a drive. They add a quieter side to life here, among the villages of this corner of Nicosia district.

The sale is for a 1/2 share of the field. It offers a residential plot with its own road frontage in Mosfili, close to the church and within easy reach of the shelter at Kato Pyrgos.
