For Sale : **€ 17,000**

Description
Set in the farming countryside of Kathikas, in the Paphos district, this agricultural field lies among cultivated crops, open parcels of land and a few scattered homes. The village centre is a short drive away, and so is Peyia. The land has an irregular shape and a smooth, gently sloping surface, and its agricultural zoning suits farming or planting. Water, electricity and telecommunication services could potentially be brought to it. The field has no direct road access. The sale is a 1/2 share of the field. It is a piece of open farmland within the countryside around Kathikas.
