Description
Set among farmland and undeveloped parcels outside the village of Koilani, this agricultural field covers 5,352 m² of Limassol countryside. It fronts a public road, giving it direct road access. The surrounding land is farmland and undeveloped plots.

The land is zoned for agricultural use, so it suits farming or planting. The centre of Koilani and the neighbouring village of Vouni are a short drive away, and the main roads of the area can be reached by car. This is a sizeable agricultural field with its own frontage onto a public road.
