**Description**
Outside the village of Filousa Kelokedaron, among farmland and undeveloped parcels, lies this field of 6,021 m². It is zoned for agriculture, which makes it land to farm, plant or simply hold. The villages of Arminou and Praitori are also close by, and the setting is countryside rather than built-up development.

The land has no direct road access.

It is a sizeable piece of agricultural ground in the Paphos countryside.
