For Sale : **€ 12,000**

Description
Set among open, undeveloped parcels in the countryside of Kampia, in the Nicosia district, this agricultural field covers 4,014 m² of farmland. Its agricultural zoning suits farming and planting, and the land around it keeps the setting rural and away from dense development.

The village of Kampia and the neighbouring village of Kapedes are both close by. The land has no direct road access. It is a sizeable piece of agricultural land in an open rural landscape.
