For Sale : **€ 9,800**

Description
Open countryside surrounds this field outside Arediou, where farmland and undeveloped parcels sit beside a scattering of homes. Arediou's village centre is a short drive away, and the heritage site of Tamassos is close by as well, so the history of the area is never far from home.

The land lies within a residential zone, which makes a home its natural use, with up to two floors allowed. Picture a family house taking shape among the fields, with village life and the nature spots of Perátis and Korakas within easy reach for weekend outings.

The land has no direct road access. The sale is a 1/3 share of the field.

For anyone drawn to the countryside around Arediou, this is a piece of residential land set among fields, with the village and its heritage close at hand.
