Description
Set in the countryside outside the village of Pigenia, in the Nicosia district, this field covers 4,348 m². Farmland and undeveloped parcels make up its surroundings, giving it a plain rural setting away from built-up areas. The village centre is a short drive away, and so is the neighbouring village of Pano Pyrgos.

The land has no direct road access. It also lies within a protection zone. This is a sizeable field among the farmland of the Pigenia countryside.
