For Sale : **€ 9,000**

Description
Set among farmland and undeveloped parcels outside Pera village, this 3,011 m² field lies in an agricultural zone and lends itself to farming or planting. The surroundings stay rural and open, with neighbouring plots mostly given over to agriculture. Pera's village centre is a short drive away, and the villages of Kampia and Politiko are also close by. The land has no direct road access. It is a straightforward piece of agricultural ground in a farming area of the Nicosia district.
