Description
Set among farmland within the Gerakies community, a short distance from Kalopanagiotis village, this agricultural field covers 4,367 m². The parcels around it are agricultural and undeveloped land, so the field sits in a fully rural setting.

Zoned for agriculture, the land lends itself to farming or planting. A registered footpath runs along one of its boundaries. The field has no direct road access.

A sizeable, uncomplicated piece of agricultural land close to Kalopanagiotis.
