Description
Set among farmland in the countryside of Trachypedoula, in the Paphos district, this agricultural field covers 5,686 m². Its agricultural zoning suits farming or planting, and the parcels around it are agricultural or undeveloped, which keeps the area rural in character. The land has no direct road access.

The Trachypedoula village centre is a short drive from the area, as are the neighbouring villages of Kelokedara and Prastio. This is a sizeable piece of agricultural land within a farming landscape.
