For Sale : **€ 8,000**

Description
Farmland and open parcels surround this agricultural field outside the village centre of Pano Pyrgos, in the Nicosia district. The neighbouring land is a mix of farmed and undeveloped plots, which gives the area a plainly rural character.

The field lies in an agricultural zone, so its use is farming or planting. It has no direct road access. The sale covers a 1/3 share of the field. It is a working piece of agricultural ground set among other farmland near the village.
