Description
Set in open countryside outside Vyzakia, close to the Vyzakia reservoir, this agricultural field covers 3,679 m². Its agricultural zoning suits farming or planting, and the land around it is made up of undeveloped parcels, keeping the setting fully rural. The field has no direct road access. The centre of Vyzakia is a short drive away, as is the neighbouring village of Agia Marina Xyliatou. A sizeable agricultural parcel in a rural corner of the Nicosia district.
