For Sale : **€ 6,000**

Description
Outside Frenaros village in the Famagusta district, this agricultural field lies among other farming and undeveloped parcels, well away from built-up streets. Its agricultural zoning makes farming or planting its natural use.

The village centre is a short drive away, as is neighbouring Agios Georgios Acheritou, with Deryneia a little further on. The land has no direct road access. The sale is for a 1/2 share of the field. It is a piece of agricultural ground set within the working countryside around Frenaros.
