Description
Set among undeveloped parcels in the open countryside outside Salamiou, this agricultural field covers 5,352 m² in the Paphos district. It lies within an agricultural zone, which suits farming and planting, or holding it as part of a wider rural property.

The land has a frontage onto a registered footpath. The villages of Trachypedoula and Prastio are a short drive away, and the Limassol - Paphos Motorway lies a drive away in the wider area. This is a sizeable agricultural field in the Salamiou countryside.
