Description
Set in the countryside around Pano Panagia in the Paphos district, this agricultural field covers 2,342 m². The parcels around it are farmland and undeveloped land, so the setting is fully rural and well away from built-up areas. Its agricultural zoning makes it suitable for farming or planting. The field has no direct road access. The village centre and the neighbouring villages of Mamountali and Asprogia are all part of the surrounding area. This is a modest piece of agricultural land set among other fields outside Pano Panagia.
